

America Recycles Day 2002 Indiana Poster Competition Official Entry Form

America Recycles Day reminds us: For our children's future, Buy Recycled Today!
For more information, visit www.americarecyclesday.org or www.indianarecycling.org

Re“cycling” is a CYCLE! Once used, old things are collected for recycling, then processed and made into new products which people then buy and hopefully recycle again after use! America Recycles Day reminds us not only to collect used items for recycling, but also to Buy Recycled Today to keep recycling working!

Other Cool Things Kids can do:

- ⇒ Care for toys and clothes so they will last longer, and after you're done with them, sell or give them to someone else!
- ⇒ Encourage others to join you in collecting glass, newspaper, cans and plastic containers to be recycled!
- ⇒ Buy items made from recycled materials, such as notebooks made from recycled paper, backpacks or clothes made from recycled plastics or lunch boxes made from recycled steel!
